

# HOT DOG *cake*

- 1 baked loaf cake
- 2 Twinkies
- 1 cup red & brown frosting
- Yellow icing in a tube
- Red icing in a tube
- Green gumdrops, diced (optional)

- INSTRUCTIONS: For the cake, you can bake a yellow cake in a loaf pan OR buy a pre-made pound cake at the store (definitely faster!)
- Cut out the center of the cake (be sure not to cut to the bottom) and save it to make the "fries". You can also trim off the outsides of "bun" (optional).
  - Cut off one end of each Twinkie and put the cut ends together to form 1 long Twinkie "dog"; place in cut-out of cake "bun".
  - Frost "dog" with red/brown frosting mix. Add yellow and red tube icing to simulate mustard and ketchup. Top with diced gumdrop "relish".
  - Slice cut-out cake to resemble french fries. Put on cookie sheet and broil, until all sides are browned. Let cool. Place on tray next to "hot dog". Drizzle with red icing "ketchup".
  - Serve and enjoy the praise of your adoring fans.
